11 am Shotgun Start

Please join us at the 7th Annual Companies for Kids Golf Invitational on Friday, December 7th at Innisbrook Resort & Golf Club. Benefiting Big Brothers Big Sisters of Tampa Bay, this premiere event provides the opportunity to play on the world-renowned Copperhead and Island courses, which are favorites among PGA Tour Professionals. Your commitment will help make a BIG impact for at-risk youth.

Last year our agency served close to 3,000 children in our mentoring programs across seven counties. We are pleased to report that 98% of these children were promoted to the next grade and 99% had no involvement with the juvenile justice system. These are just a few of our measurable outcomes and are proof of the results your investment can have on our youth and our community.

Sign up today as one of our VIP golfers and join 300 other business leaders in this exclusive event with high-level networking opportunities, first-class service and amenities, and a stellar overall experience!

Our day starts at 8 a.m. with registration, breakfast, and an inspiring program. Shop at our custom designed pro-shop, followed by 18 holes of golf with on-course activities and sponsors to add to the fun! After your challenging round of golf, join us at the Copperhead Clubhouse for premium cocktails, hors d'oeuvres and awards.

Thank you in advance for your commitment to Big Brothers Big Sisters of Tampa Bay!

Our Big Brother & Little Brother of the Year

Big Brother Michael & Little Brother Tavoris have been together more than 5 years, getting matched after Michael moved to Tampa following his graduation from the University of Connecticut.

When they first met, Tavoris was shy, had some struggles in school and occasionally would misbehave. Now his report card is full of As and Bs. "If Michael was never in my life, my whole life would be different," said Tavoris. "My school grades would not be as good as they are right now. My attitude would be different. My personality would be way different. Michael is a big part of my life."

Our Big Sister & Little Sister of the Year

Big Sister Jessica & Little Sister Angie have been matched for over 3 years, ever since Jessica moved to Tampa from New York at age 20.

"This relationship has truly touched me," Jess said. "I feel like I'm not only a mentor and role model to her, but also a true friend. I am usually a fast-paced person and juggle a lot of things in my everyday life. But with having Angie as my Little Sister, I have learned to slow down and enjoy the simpler things in life. Her excitement for life has renewed my own sense of joy."

1000

kids across Tampa Bay are waiting for a Big Brother or Big Sister.

250

deserving children were matched with a caring adult mentor because of funds raised during last year's Companies for Kids Golf Invitational.

1

is the number of mentors needed to make a BIG difference in the life of a child. Sign up to be "1" today!
