## Children's Board of Hillsborough County Focus Areas

The Children's Board of Hillsborough County has been investing in children and families for the past 30 years. Created by the voters in 1988, we grant funding for programs and services provided by local organizations. Children's Board investments ensure that:

### **Children are Developmentally on Track:**

Early Identification of developmental needs for children birth to age five is essential for optimizing a child's learning potential and allows caregivers to learn more about their child's development.

### **Children are Healthy and Safe:**

Early preventative health and education; preparing a family to develop nurturing and healthy habits which are enhanced by coordination with community partners including healthcare systems and primary care providers.

### **Children are Ready to Learn and Succeed:**

School readiness and academic support for children designed in a way that fosters academic readiness by age eight. Activities may support character development, provide positive role modeling, and motivate students to learn in safe environments.

### **Provides Family Support:**

Support for the whole family by developing informal supports, stability and overall well-being. These relationships establish the foundation for secure attachments and future physical, cognitive and social-emotional health.

## **Governing Board**

The Children's Board is governed by ten Board members from the local community. Five are "ex-officio", meaning they serve by virtue of the office they hold. The remaining five members of the Board are Hillsborough County citizens appointed by the Governor of Florida. The Governing Board hires the Executive Director, who is responsible for the leadership and management of the agency.

## **Mission**

The Children's Board of Hillsborough County invests in partnerships and quality programs to support the success of all children in Hillsborough County.

## **Vision**

Hillsborough County will be recognized as one of the top places in the nation to raise children.

## **Conference Center**

Our administrative building on Palm Avenue also serves as a conference center available at no cost to neighborhood, community, and civic organizations. Free parking, easy access to public transportation, and a central location make it a perfect space for community events. For more information about using our conference center, call (813) 229-2884 or email [reservations@childrensboard.org](mailto:reservations@childrensboard.org).

## Our Budget

The Children's Board of Hillsborough County oversees a budget of \$51.8 million. The chart below represent total revenue and expenditures for Fiscal Year 2020.

### Where the Money Comes From

#### Revenue Sources

|   |                   |

# CHILDREN'S BOARD FAMILY RESOURCE CENTERS

## *Children's Board Family Resource Centers*

### **Program Description**

The Children's Board Family Resource Centers provide opportunities for parents or caregivers and their children to participate in parent / child developmental playgroups, developmental screenings, and health and safety education. In addition, pediatric well-child visits, immunizations and hearing or vision screening are provided for qualifying families. There are service coordination staff at each center to assist families with children birth to five years of age to build on their strengths and address their needs. In addition, after school tutoring programs are available at each center to work with children in Kindergarten through 2nd grade. The centers are designed to help families and communities become happier, healthier, and stronger.

### **Program Description**

The Family Reunification Video Visitation program provides a unique opportunity for children to participate in live visitation via video, with their incarcerated parent. The children are offered an opportunity to see and speak with their mothers and fathers for an allotted time weekly via live video conferencing. In addition to the video visitations, participants enrolled in the program have the opportunity to travel to the prisons once a quarter. The children and caregivers get the opportunity to interact with the incarcerated parent during the visit. Caregivers have access to case management services.

### **Target Population Served**

Children with an incarcerated mother or father at Lowell Correctional Institution, Hernando Correctional Institution, Polk Correctional Institution, or Sumter Correctional Institution

# BIG BROTHERS BIG SISTERS OF TAMPA BAY

*1-to-1 Comprehensive Mentoring*

## **Program Description**

The 1-to-1 Comprehensive Mentoring Program provides professionally supported mentoring services to children and youth who can benefit from a caring and supportive relationship. The program supports children and families by connecting a “Little” (youth) with a “Big” (mentor) to achieve a safe, long, and strong match. Volunteers, parents, mentors, and the youth themselves must commit to actively participate for a minimum of 15 months or longer to maximize the outcome.

## **Program Description**

The Mobile Health and Safety Education program provides services to residents of Hillsborough County in partnered community-based locations. This program includes both mobile classroom health and safety education and access to medical services through a mobile medical clinic.

The Mobile Health and Safety Education program provides classes at your site with a focus on educating children in age-appropriate ways that make learning about health, safety, and maintaining a healthy weight fun and educational. Caregiver education is also provided related to CPR/First Aid certification, car seat safety and so much more. To learn more about our classes offered and to submit a request for services please visit [www.stjoesmobile.org](http://www.stjoesmobile.org).

The Mobile Medical Clinic supports children and families by providing opportunities for caregivers and their children to participate in developmental screening, mobile/medical pediatric health services (including well child visits and immunizations), and hearing/vision screenings. For more information on the Mobile Medical Clinic please call (813) 615-0589.
