# Part V, line 4:

The Organization receives income from certain endowment funds that are
neither in the Organization's possession nor under its control. These
external endowment assets are held in perpetuity and are invested and
managed by outside trustees in accordance with trust agreements as
directed by the donors.
In 2002, the Organization established an endowment account with the
Pinellas County Community Foundation (PCCF) in the amount of \$10,000. In
2009, the Organization established the Charles Manly endowment account
with the Community Foundation of Tampa Bay (CFTB). It is the intent of the
donors and the Organization to accumulate donations and earnings until the
fund reaches a balance of \$25,000. Although the Organization does not have

Schedule D (Form 990) 2023 Part XIII Supplemental Information (continued) the right to receive the endowment assets per the Trust Agreement, the contribution to the endowment fund is considered an asset of the Organization as it has been named beneficiary. Earnings on the endowment funds are periodically distributed to the Organization in accordance with the trust agreement. In 2013, the Organization established a scholarship endowment account with the Community Foundation of Tampa Bay. The Organization utilized CFTB's Leave a Challenge Grant Program (the Grant Program) which incorporates a one-to-three match. The Organization had a goal of raising \$50,000 with \$37,500 to be raised by the Organization and \$12,500 to be awarded through the Grant Program. As of January 2014, the Organization was awarded the challenge grant by CFTB. Although the Organization does not have the right to receive the endowment assets per the Trust Agreement, the contribution to the endowment fund is considered an asset of the Organization as it has been named beneficiary. Earnings on the endowment funds are distributed to the Organization semi-annually at a distribution rate between 3.50% -5.50% of the fund's balance as of December 31st of the year preceding the distribution. For 2015, the spending policy is 4% of the December 31, 2014 endowment account balance.

# Part X, Line 2:

The Organization accounts for the effect of any uncertain tax positions based on a "more likely than not" threshold to the recognition of the tax positions being sustained based on the technical merits of the position under scrutiny by the applicable taxing authority. If a tax position or positions are deemed to result in uncertainties of those positions, the unrecognized tax benefit is estimated based on a "cumulative probability assessment" that aggregates the estimated tax liability for all uncertain Schedule D (Form 990) 2023

tax positions. The Organization has identified its tax status as a
tax-exempt entity as its only significant tax position; however, the
Organization has determined that such tax position does not result in an
uncertainty requiring recognition. The Organization is not currently under
examination by any taxing jurisdiction. The Organization's federal returns
are generally open for examination for three years following the date
filed.
